HMMH WELCOMES JUSTIN COOK AS PRINCIPAL CONSULTANT

Burlington, MA (March 01, 2017) – HMMH is pleased to announce further expansion of its aviation practice with the addition of Justin Cook, INCE, LEED GA, as a Principal Consultant. Justin’s experience in architectural acoustics, environmental noise, vibration, air quality modeling and analysis will significantly contribute to the firm’s growth and business development opportunities.

Justin holds a Bachelor of Science in Mathematics degree from the University of California, Irvine, and is a certified LEED Green Associate (LEED GA) with the USGBC. Prior to joining HMMH, Justin was Vice President of Airports & Acoustics at BridgeNet International where he led the Environmental Engineering branch. A performance and results driven individual with over 17 years in the environmental engineering industry, Justin brings to HMMH excellent project management skills and client-focused consulting experience.

“We are thrilled to have Justin join the HMMH team and look forward to the new business opportunities he will bring our way,” said Eugene Reindel, Vice President. *“In addition to being an aviation noise market leader, Justin has also built an architectural acoustics business in Southern California, which offers an area of potential expansion for the firm.”*

Justin will be located in Long Beach, California and can be reached at jcook@hmmh.com or 781.229.0707 ext 3104.

Please join us in welcoming Justin to HMMH!
